OFFICE OF LEGISLATIVE COUNSEL

25X1

Thursday - 28 June 1973

25X1

Met with Herb Roback, Staff Director, Legislation and Military Operations Subcommittee, House Government Operations Committee, and discussed with him in general terms the status of the various Watergate hearings insofar as Agency participation in the hearings is involved. Roback was quite complimentary of the reports he has heard of Chairman Nedzi's, Intelligence Subcommittee, House Armed Services Committee, conduct of the Subcommittee hearings. He told me that the McCloskey resolution, concerning investigation of CIA involvement in political affairs of foreign governments, has been withdrawn from the Government Operations Committee consideration.

Chairman Holifield, of the full Committee on Government Operations, responded to Representative Koch's (D., N. Y.) request for investigation of CIA involvement in Watergate by letter indicating that this was a matter within the jurisdiction of the House Armed Services Committee. Nothing further has been heard from Koch on the matter.
